

ATTENTION: SECO GRANT RECIPIENTS

From: Mercer Controls, Inc.

By now you should have received notification from the State Energy Conservation Office of your eligibility for an allocation of funds to be used for improvements in Energy Efficiencies.

Remember that you must respond promptly to the packet of information which included your allocation letter.

What can be done to participate?

A key item is to have someone perform a Energy Audit. An Energy Audit will identify savings and the probable time of recovery of the investment. S. A. Mercer, P.E. of Mercer Controls has been trained in performing Energy Audits. He is a member of the Association of Energy Engineers.

Much of the work that is eligible under the program involves technologies in which Mercer Controls is capable and experienced. For example:

- ⇒ PUMP AND MOTOR EFFICIENCY IMPROVEMENTS
- ⇒ VARIABLE FREQUENCY DRIVE INSTALLATION
- ⇒ WASTEWATER TREATMENT PLANT EFFICIENCY IMPROVEMENTS
- ⇒ ENERGY/POWER MANAGEMENT SOFTWARE
- ⇒ LIGHTING RETROFITS
- ⇒ RENEWABLE ENERGY, INCLUDING SOLAR POWER AND SOLAR WATER HEATING

Mercer Controls stands ready to assist you in whatever way you desire. We have a group of proficient electrical subcontractors through out South Texas standing ready to work with us. We build our own control panels.
